For words:

The 1953 Debate Chant is presented to you, the students and teachers of Refugio High School, with the hope that through the years that are to come, you will remember all your classmates, studies, activities, and sports as not just a long forgotten memory, but a vivid, realistic thought that will never die.

It is the earnest wish of the Debate Chant staff that we have succeeded in preserving all the treasures of the 1953 school year for you in this book.

DEDICATION

*We the members of the 1953 **Bobcat Chant** Staff lovingly dedicate this edition of the annual to Miss Lulu N. Rice, without whose unceasing efforts, wisdom, and understanding, this book could never have been published.*

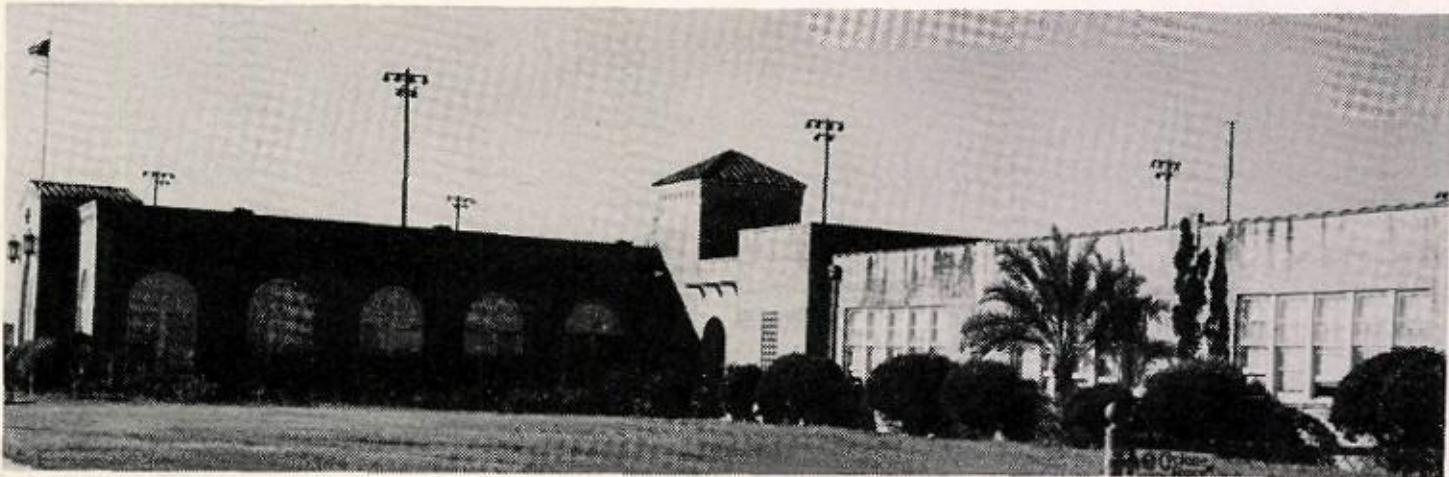

Miss Rice is known to all the students of Refugio High School as someone who is sympathetic and understanding. She is willing at all times to help students in any way possible.

As senior class sponsor, Miss Rice has worked with five editions of the annual.

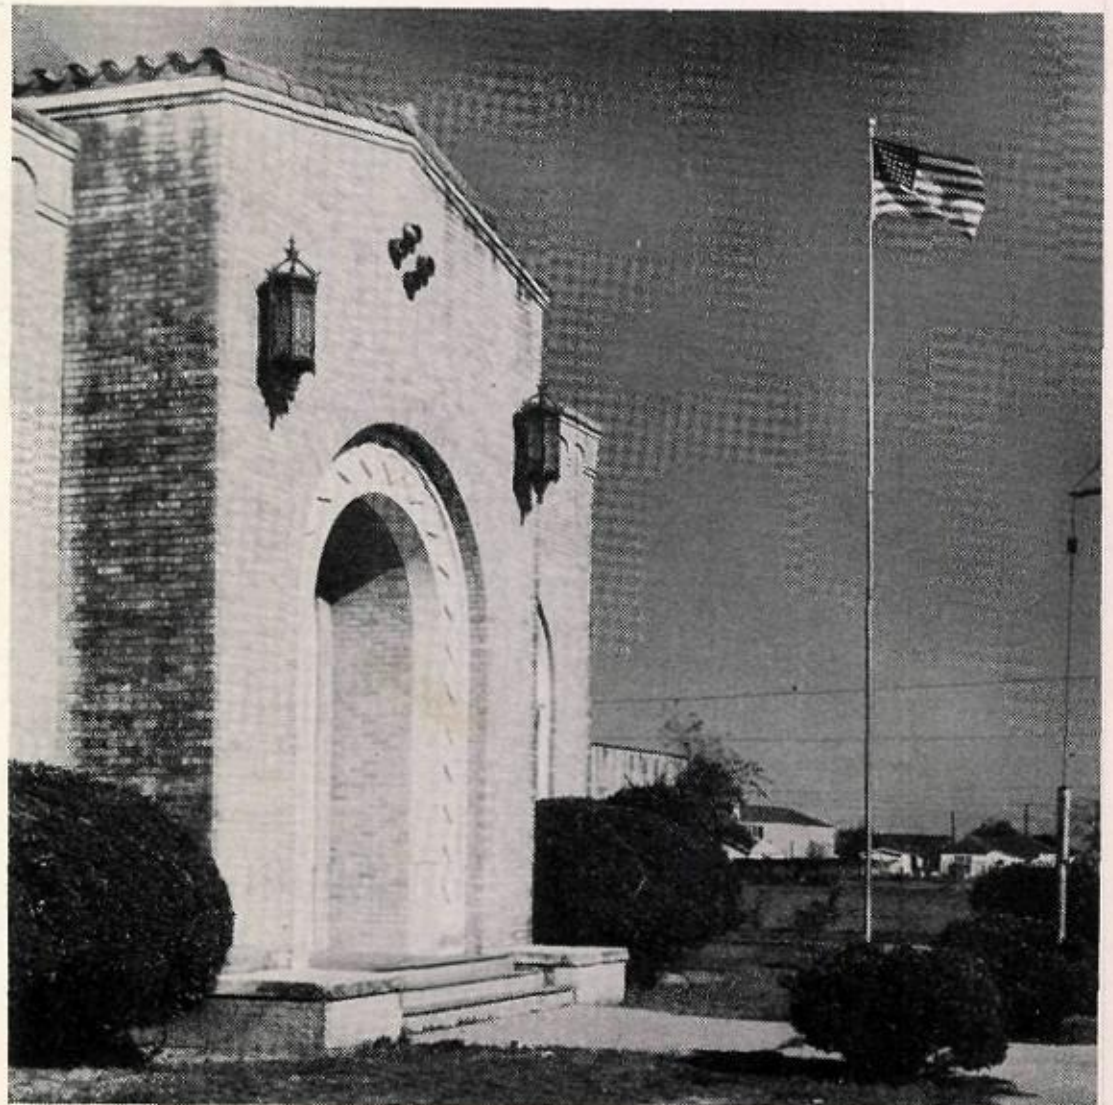

*To you, Miss Rice, we say thank you sincerely for all you have done. We, the annual staff, hope you will accept this edition of the **Bobcat Chant** as a small token of our appreciation.*

"The student is always his first concern.

To him our thoughts will ever turn."

We appreciate the splendid work of the Annual Staff and sponsor this year in completing another fine annual. This project is typical of the many activities that Refugio High School will long be remembered for.

May this work bring you and the students of Refugio School pleasure now and in the years to come. You have had a great part in developing the spirit and loyalty of our school.

"Ideals are like stars. You will not succeed in touching them with your hands; but, like the seafaring man, you choose them as your guides, and following them, you will reach your destiny."

A. R. Winter

Our beloved principal is a very talented man. Through the years we shall remember him as the Dramatics Coach, School Musician, and in general a good sport.

We appreciate the splendid work of the Annual Staff and Sponsor this year in completing another fine annual. This project is typical of the many activities that Refugio High School will long be remembered for.

JUNIOR HIGH PRINCIPAL

*The person who finds an object worthy of his
loyalty is fortunate indeed. The youth of America,
in many instances, seems to be squandering the
great strength and inspiration of its loyalty on
tawdry and often degrading causes.*

*The young people of this community have
generously bestowed their loyalty on their school
and on their fellow citizens. The reward for this
is reflected in the strength and wholesomeness
of their character, and in the warm pride the en-
tire community feels for them.*

In Memoriam

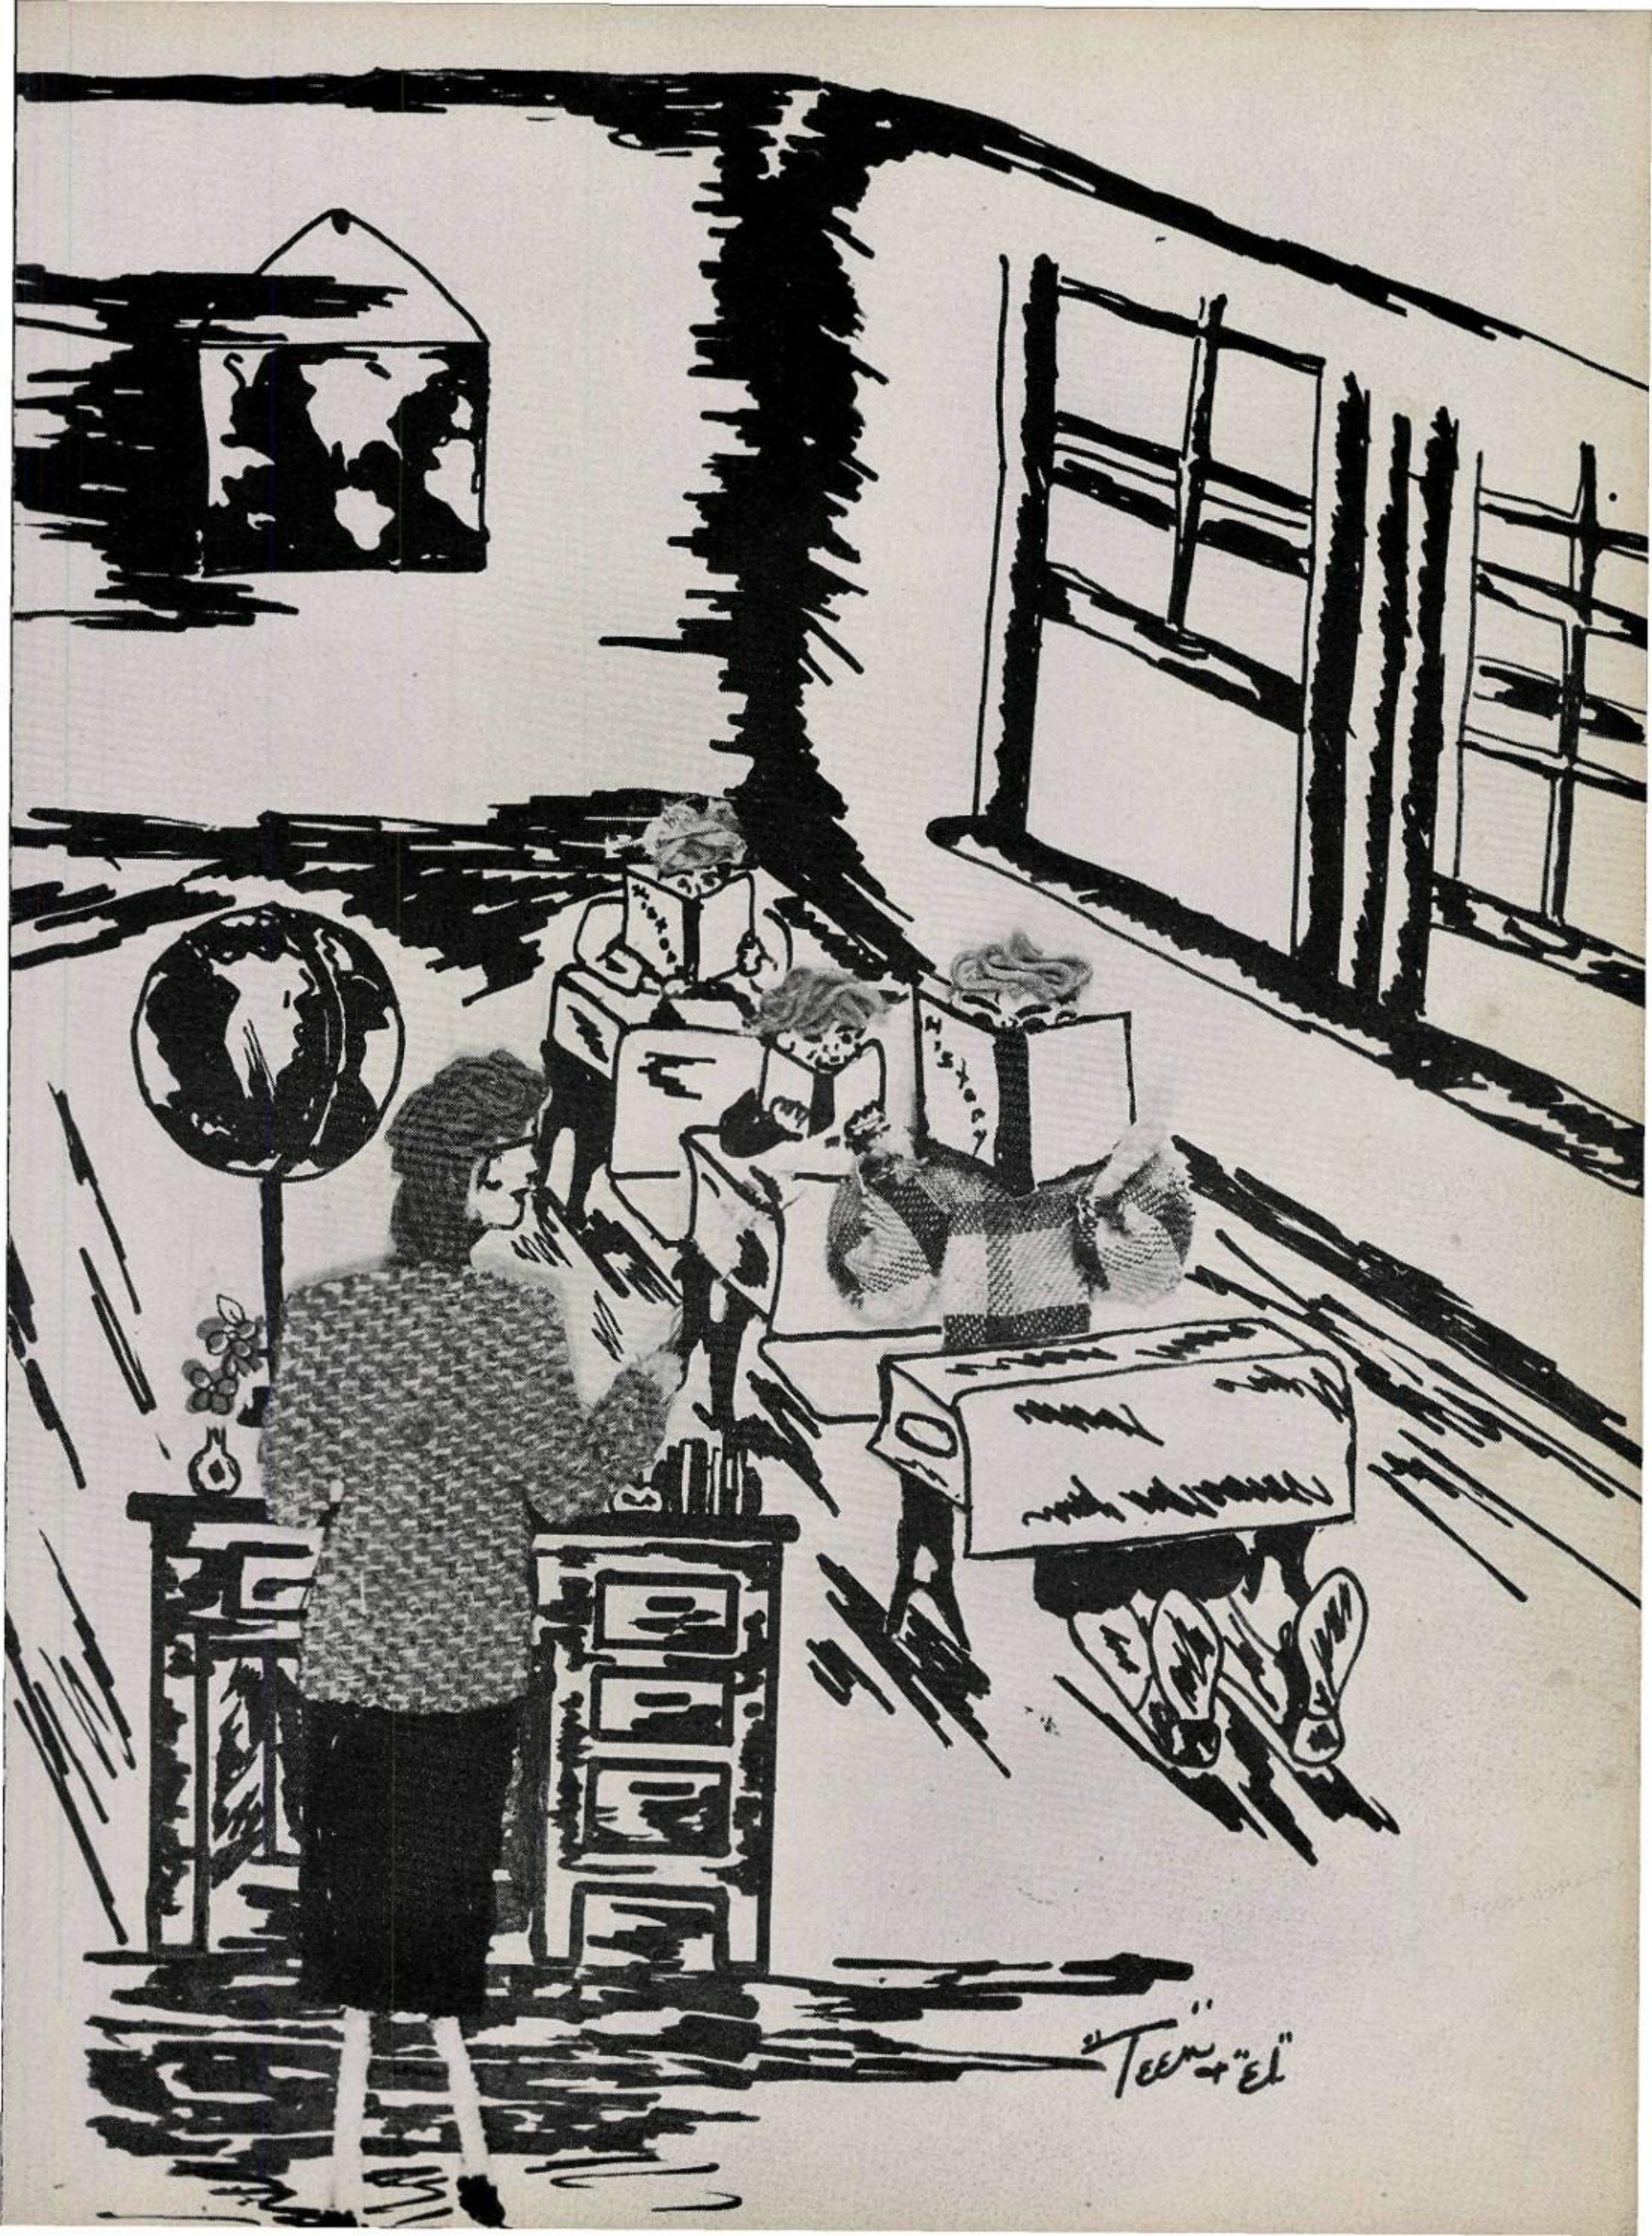

We in Refugio High School, both faculty and students, will always remember Mayo, Jr., as one of those students who has contributed so much to our school, community, and "American Way of Life".

We remember him as the friendly, agreeable boy who found time to do and say those little things from day to day that enhanced his pleasant personality, and made those with whom he came in contact glad to have known him.

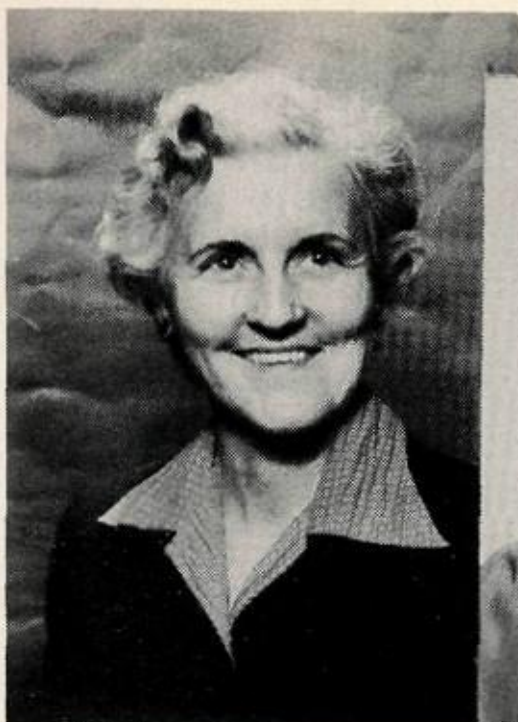

We remember him as a high school athlete of the highest type, who tackled hard, as a student who stood up in class meetings and spoke his honest convictions, as a boy who was willing to go to bat for what he believed to be right, as a boy who merited the greatest honor his classmates could bestow on him his Senior year in high school, "Best All Around Boy".

For these things we remember Mayo Baugh, Jr. Our own lives and school traditions have been greatly enriched by having had him pass our way.

Mayo Baugh, Jr., son of Mr and Mrs. Mayo Baugh, Sr., gave his life in Korea fighting in order that we might continue our "American Way of Life".

YOUR PLEASURE IS ALL OURS . . .

IT'S OUR PLEASURE—when you have
a good time at the movies.

IT'S OUR PLEASURE—when you laugh
and sometimes cry at the things you see on
the screen.

IT'S OUR PLEASURE—to see the
whole family choosing motion pictures as
their best entertainment buy.

IT'S OUR PLEASURE—that youngsters
have come to know and love the movies
as a very special treat.

IT'S OUR PLEASURE—that Holly-
wood is constantly searching for new ideas
—and constantly bringing them to *life*.

IT'S OUR PLEASURE—that today you
are finding movies better than ever—gain-
in a greater pleasure in seeing them.
